

What We Do

We provide services for youths through Lions clubs in Maryland and Delaware. We don't restrict ourselves. The assistance can be educational. It can be health-related. It may be connected to sports, art or music. Our guiding force is providing positive experiences for children.

Join us in our mission to make a difference for children. We need your support. We need your practical ideas and your biggest dreams. No dream is not worth pursuing when the future of our children is at stake.

Mission Statement:

The Kusiak Lions Youth Foundation is to empower young people to help themselves and others through activities supported by Lions Clubs of Maryland, Delaware and the District of Columbia and their communities.

By joining our mission through the Lions Youth Foundation, you can make life better for others while enriching your own.

You can make a difference for children in your community and provide opportunities to our youth of today and our world of tomorrow.

Making Dreams Come True

So often it's one
outstretched helping
hand that boosts a
child toward a bright
future.

It's one friendly
face, one cherished
activity, one special
day a child can
regularly enjoy.

Children are the most
precious members of
our communities. They
are ours to nurture, shape
and love. The time and
energy we lavish on them now
will leave a lifetime impression.

The Reliable Roar of the Lions

Since 1917, Lions clubs
have met community
needs. Lions have
helped countless
children. We've
saved their vision,
given them
scholarships, and
built their parks,
playgrounds and
ball fields.

The Kusiak Lions Youth Foundation
partners with Lions clubs to give our
children the activities and programs
that steer them toward success. We
can't guarantee they'll grow up to be
solid citizens. But we'll do everything
we can to give them the opportunity
to make a good life for themselves.

It's not easy today to be a child. Or a
parent, teacher or mentor.
Our foundation is here
to help. We have
assets and resources,
and we have the
proven abilities of
Lions to work with youths.
